Joanna,

Attached (2) is the MSR/Invoice and backup for the Shiloh Church Road Removal. Please note the attached backup may include additional receipts since Tetra Tech systems pulls all receipts. Due to this, please refer to the actual March 2021 invoice as the main document for your review and not the additional backup/receipts that you may encounter. If you need information on what was shipped/Fedex, please feel free to email the PM (Brian Croft) and copy me on request.

Thank you,
